

BEYOND MEETINGS: Dynamic Engagement

Unleash the power of your meetings using Dynamic Facilitation Technique

Workshop Outcome:

Energize & Enhance Your Meetings | Boost your Facilitation Skills

How effective are your group meetings? Is meeting time being used in a way that drives momentum? Has meeting fatigue set in for your group? Have meetings become informative and passive? Are participants actively participating? How does your group use technology to help connect each other better?

Increase participant interest, engagement, & collaboration. Learn keys to facilitation success that help engage your audience, keep their attention and get results that drive your projects forward. Leverage the expertise in the room and make the most of the time your groups have together.

Long meets or short meets. This short intensive will give you ideas and tactics that will help recalibrate your meeting style towards action, energy, and results-based collaboration.
